

# Year 2 Summer 1 Newsletter

## Maths

To recognise and find a half quarter and third of numbers and shapes.

To recognise the equivalence of a half and two quarters,

To tell the time to the hour, half past, quarter past, quarter to and to 5 minutes intervals.

## English

We will be writing a narrative based on The Owl Who Was Afraid of the Dark. To do this we will practice using our adjectives, verbs and descriptive devices. We'll also use dialogue to make our stories interesting. After this, we will be writing a letter based on The Day the Crayons Quit using some persuasive language!

## Science

I know that animals, including humans will have offspring that grow into humans.

I know the basic stages of life cycles for animals and humans.

I understand and can describe the basic needs of animals, including humans for survival.

I can use observations and ideas to suggest different answers to questions.

## Geography

To recall the countries in the UK.

To identify where we live.

To identify capital cities of the countries in the UK.

To identify the features of a forest.

To locate forests in the UK.

To investigate the impact of human change on the environment.

## RE

To know the Islamic creation story.

To know about Allah's prophets.

To make links between the prophet Muhammed and Jesus.

## Art

To know the technique of Batik.

To design and create a Batik print on fabric.

## Key Texts
