

Poplar Farm Weekly Newsletter

Tuesday 2 June 2026

Welcome back to the final term of this academic year. There are just a few reminders and updates to help this term run as smoothly as possible:

- All parents (including EYFS & KS1) **must** place lunch orders using the MCAS app. This ensures kitchen staff can prepare the correct amount of food for every meal option on all sittings.
- Children are **not allowed** to bring toys or cuddly toys from home into school. This includes keyrings on book bags, which are being taken outside at playtimes.
- Children with PE on Thursday should come to school in their uniform for the class and group photos. They can bring their PE kit into school to change for the PE lesson.
- Poplar Pioneers will not be available after school on the last two days of this school year, so please make alternative arrangements.

Attendance

In the last week of term 5, Class 1BT had the highest attendance with 98.7%. Well done!

The whole school attendance for the week was 95.1% which means the attendance for the year to date has fallen slightly to 96.4%.

Good attendance is essential for pupil wellbeing and academic progress. We aim for our attendance to be at least 97% and hope you can help us achieve this high attendance.

PopFest

Excitement for PopFest is starting to build in school - the children love our annual enrichment festival! Thank you to those parents who have already contributed towards PopFest.

While there is no payment deadline, this unique event will only be able to take place with sufficient parental support. We would therefore be most grateful if payments could be made at your earliest convenience via the MCAS app.
